Case No. 10-2116 MK
USMJ KNOWLES

**UNITED STATES' MOTION TO UNSEAL
CRIMINAL COMPLAINT/AFFIDAVITS/ARREST WARRANTS**

The United States requests the criminal complaint, affidavit, and arrest warrants in this case be unsealed since the arrest warrants have largely been executed. Some of the defendants charged in this complaint have not yet been located and arrested, but they likely know that agents are searching for them. Therefore, publicly revealing the identities of the defendants who have not been located and arrested will likely not harm law enforcement interests, and may help the agents efforts to safely arrest them by generating information from concerned citizens.

Respectfully submitted,

JERRY E. MARTIN
UNITED STATES ATTORNEY
